Job Opportunity: Business Analyst

Capstone Ridge Group is a Winnipeg based management and information systems consulting firm with a primary focus on helping organizations improve performance. We have experienced practitioners with credentials in management consulting, project management, organizational change management, business process management, business analysis, systems analysis and quality assurance.

Capstone Ridge Group is looking for experienced Senior Business Analysts as we continue to grow in both Manitoba's public and private sectors. If you have the attributes listed below we would like to hear from you.

Desired Skills and Experience:

- A minimum of ten years experience as a Business Analyst preferably in Manitoba
- University degree or college diploma relevant to business analysis and specific Business Analyst credentials with CBAP certification a strong asset
- Ability to influence and engage all levels of stakeholders with specific experience at the senior level
- Business Analysis skills in areas such as process modeling, analysis and design, cost/benefit analysis and all aspects of the systems development lifecycle
- Strategic, critical and analytical thinking, decision-making and problem-solving
- Exceptional oral and written communication skills, including facilitation skills
- Team leadership, coaching and mentoring
- Align performance for success and see the 'big picture' while maintaining awareness of details

Why you should consider a career with Capstone Ridge Group

- Growing Winnipeg based entrepreneurial company with a respectful and supportive environment
- Building a vibrant team of mid to senior level consultants that work collaboratively in the best interests of all stakeholders
- Provides professional growth through varied and challenging opportunities and through career mentoring with funded education
- Provides on-going contact, support and mentoring to our resources throughout each engagement
- Offers several employment options including employee, contractor and hybrid models with incentive-based bonuses and optional benefits

To apply, please email your resume to: info@capstoneridge.com
